'SPRING EVENING' FOR HOTELIERS

KUALA LUMPUR: Hoteliers in the city recently got together for a dinner at Istana Hotel here.

The dinner with the theme "Spring Evening in Kuala Lumpur" was organised by Fred Tibbitts & Associates, Inc (FTA) to recognise excellence in the hospitality industry and also to raise funds for the less fortunate.

Guests were treated to a sumptuous four-course Western dinner while the wines were paired by famed New York wine expert, Wine & Spirits Program chief executive officer Harriet Lembeck.

FTA chief executive officer Fred Tibbitts Jr said that a part of the proceeds would be donated to the United Nations Children's Fund and Habitat for Humanity International.

FTA is a social entrepreneurship which gives its profits to the less fortunate. It is also a global wine, spirits and related services consulting agency for national account chain hotels and restaurants. **By Nor Ain Mohamed Radhi**
