FTA 12th Annual Fall Diner at the Langham Hong Kong

Hong Kong witnessed another much awaited dinner on October 9: The 12th Annual FTA Fall Dinner at The Langham Hong Kong. Trade show style reception, gonged entrances of guests, traditional loyalty toasts, great food and wine pairing, are but a few of the unique features of the legendary dinner held for the past 21 years in 12 selective cities each year. Organized by Fred Tibbitts, Jr., President/CEO of the Fred Tibbitts and Associates (New York and Bangkok based), the dinners serve to recognize service excellence with dinner proceeds donated to charitable causes in the names of those recognized. The dinner proved to be another memorable event upholding the FTA mantra "Service, the Highest Calling", and was participated by over 90 hoteliers, restaurateurs, food and beverage sponsors, industry leaders and VIPs, including the media headed by New Western Cuisine Magazine.
