Sensuous Wines for Sensuous Lovers

红酒酝真爱

Once you have experienced "sensuous" romance, no lesser form of love will do. And sensuous lovers deserve sensuous wines, for sensuality is an art form and every aspect of the sensual experience must enhance the sensuality, not detract from it. I ask you, would you toast to the Love of your Life with a diet soft drink or a premium red wine?

To defer with respect to the Beverage of Love to one of China's most inspired romantics, "Red wine is the magical, romantic elixir that flows through our veins whether near or far from the one we love". "It is our Soul's message that all is not lost upon a glass of crimson as sacred as eternity's gentle touch. It is nature's sweetest bliss as when our

lips become One, whether an hour, a day, a week or a month that we have been apart. It is the harmony of all our senses."

It comes in a variety of enchanting flavors from rich Cabernets to fruity Beaujolais and Pinotage to spicy Shiraz, Petite Sirah, Syrah, Malbec and Chianti to meaty Zinfandels and virile Rioja's, velvety

Merlots, complex Pinot Noirs and elegant Bordeaux blends from around the world; each a unique expression of its "terroir", the gestalt of everything that is the land from which the grapes were harvested and the knowing hand of their mothers and fathers, the dedicated winemakers the world over.

For when one first lovingly discovers the joy of a glass or a bottle of premium red wine as part of the Love making dance, it is as though the memory of one's first love affair is but yesterday. Every cell in your body remembers full well how it felt that moment when you knew that she was your Beloved and you would that it be beautiful and last forever; that you would together discover the Fountain of Youth that would grant your wish for your love to last for eternity.

And more: Ever so much more than words can express, but was it not for the union of your palate with a melodious red wine of subtle character and mysterious complexities, when it is as though a vision of beauty once again totally consumes your every self and your Soul is gently transported to that first moment of love's glorious, awakening touch.

And when your red wine takes you to that place, that place that will live forever in your heart of hearts, you are in fact One with your glass of wine and you will have more. If it is with the Beloved, it reunites your Souls from every previous, enchanted moment that ever took place between you; and if not, wherever in the world the other may be, she is magically with you and you are with her.

A Red Wine Toast to Love

"Can there be anything but LOVE worth our combined contemplation at a moment like this?" Only the most precious love of your life: For she is you and you are she and your blood and the red wine is your Heavenly Communion. Drink and love well forever and ever more; and should that your Simultaneous Release last until your very dying breaths, being that you and your Beloved are able to withstand as sensuous an Eternal, Never Ending Ecstasy. Ah, but Yes....
